June 2016

MAY 2016 MEETING MINUTES

SIMA met on May 10th at Frank's restaurant. There were 24 members present and 2 visitors.

Meeting was called to order by Steve at 6:55pm. Steve shared an article about Zack Hunter who died in a car accident on April 17th. He loved Mustangs.

A motion was made by Bill to accept the minutes from the April meeting. It was second by Larry.

Judy gave the treasure's report. Motion to accept by Larry and second by Marty.

Steve mentioned that everyone is welcome to go on a cruise, even if they don't have a Mustang.

Larry reported on the show committee. He showed an example of what a trophy would look like. Best of show will be a wall hanging with a lit up Mustang. Best of show-non Mustang will be a lit Ford trademark.

Scholarship report= We have until the next meeting to apply for the scholarship.

Publicity report= Posters have been posted at several car shows.

Old business= Marty mentioned a girl who received a scholarship is graduating and being pinned as a nurse.

Judy read a thank you note from Matt and Leslie Martinez for the donation from the club to help with his kidney transplant.

Mustangs for Mustangs is Saturday, May 28th at Bethalto Airport.

Bill is selling tickets for a fish fry.

Bill also said he would look into DJ equipment for the show.

Contact Larry about shirts for the show by the end of May.

Meeting was adjourned by a motion made by Janet and second by Bill. Meeting ended at 7:22pm.

Secretary. Dodie Brewer

Note from the President

It's Time to Bring it all Together-

We are down to 40 days before our annual show on July 16, and things are coming along pretty good, but as always we still need to tighten up a few things.

As always, our annual show seems to be on one of the hottest day of the year. So with that comes our need for ice. Ed supplied us with ice last year but has been unable to attend the last few meetings, so we will need to contact him and see if he will be able to do it again this year or have a second available. There was also talk of Jerry providing us with a mister that could be set up at one of the doors at the registration/trophy presentation award area. While this would be a great help, the responsibility of transporting it to and from Robert's Ford and sitting it up would fall to the club, so this will have to be discussed at the next meeting.

Lastly, we are again in need of tables, and attendance prizes, so please be thinking of ways you can contribute to these areas. Our trophy's are coming together, but we will still need at least one more night for volunteers to finish putting them together. Kim has informed me that the show kit has been ordered from the MCA, which include dash/window placards and goodie bag items. All in all things are coming together and we should have another spectacular show again this year with everyone's help.

Now for other things: Our "Mustang's for Mustang's" cruise-in at the Bethalto Airport to support the Legendary Mustang Sanctuary was a disappointing turnout, not from our club but from the general turn out of any other cars. I don't know if it was the confusion of the times on the flyer, but maybe we need to help them a little more next year to get the word out and the times exact on the flyer.

Our club was featured in the June issue of MCA's, "Mustang Times", for our club charity work with the Legendary Mustang Sanctuary. Kim and I, along with former club member Elizabeth Butler and fellow Mustang owner Randy Haukap, participated in the Highland Veteran's Memorial Day Parade. We are working toward our MCA Presidential Club Award for this year, which has been awarded to every regional club around us and I would like our club to join in these ranks and we can only do that with whole club participation.

Lastly, Summer time is upon us again and with it comes shows and/or cruse-ins almost every weekend. If you're not into shows, a cruise-in is a great way to go as they are usually held at burger or ice cream places. You can cruse in, check out the cars, get a bite to eat and leave when you want.

OWNERSHIP NOT ESSENTIAL.....ENTHUSIASM IS!!!!!!!!!!!!

It's a great opportunity to meet new people and see their cars and our Mustang's as well. So get out and enjoy and have fun because isn't that the real idea in the first place.

Hope to see you all at the next meeting--Steve
