Note from the President

Happy Valentine's Day-

Thought I'd get a head start, as we can't even get by Thanksgiving without being bombarded all the Christmas reminders on radio and TV, but I must admit that its better then the pre election political ads from a month before. I used to listen to 102.5 when they played classic rock but then a couple of years back starting November 15th they went to Christmas music around the clock. Don't get me wrong, I like Christmas music, just not for a month and a half, haven't listened to that radio station since. I'd be happy if the radio station played Christmas music a week ahead and end it at midnight on Dec 26th, but if I miss John Lennon's "So this is Christmas", I don't feel my Christmas season is complete. I'm ready to move on to the new year, which as a club we cannot do quite yet.

At November's meeting we were to hold elections for the following year, but due to the fact that not all positions had nominees and all nominees were not present. We will now have elections at our upcoming Christmas Party on December 4th. We still have no nominee for Club President. After three years as President, I believe that it is time for someone else to take over. I can see some discern in the way I do some things and for those who don't care for my style of leadership, now is your time. If there are no nomination for Club President, I will reluctantly serve one more year, must advise the club that my work shift and days off are subject to change in the near future and cannot commit to being at every meeting and/or club event and would ask to give Vice President nominee Tom Brewer time to adjust. Running a club meeting sounds easy, but in truth, it's hard as everyone will not agree in which direction you would like the club to go, but that's why it's a club, as we are all involved in the decision making process.

Our website fees for the following year have been renewed, even though our club debit card would not work. I don't know if it was a card number problem or what but it was invalid and not accepted. This was the very reason for our Club Debit card in the first place so we will have to have Judy recheck the card number and check with the bank so this problem can be avoided in the future.

Also at the November meeting a motion was made and passed to present our clubs two charities (Legendary Mustang Sanctuary and the Hope Food Pantry) with a onetime holiday gift of \$500.00 each after our profits from this year's annual Mustang & All Ford Roundup flooded our clubs account. This is a commitment we as a club should embellish back to our community and keeping with our clubs by-laws and show flyer. Wither I am President or not, at our January meeting I will propose a motion that instead of giving our club charities their standard \$250.00 at our car show, a certain percentage of our after-show profit (up to 25%) be split among our charities and given to them the month following our annual show.

Also keep in mind that club charities are appointed each year in January, so if we were of a mind to replace them that would be the time. I would like to remind all club members that our charities should help those in our community. I have nothing against national charities but feel that our local community should be helped first, and have a chance to spread their word through our club and annual car show.

I hope each and every one of you had a great Thanksgiving and an even better Christmas. May Santa be good to you and may you be able to spend time with family and friends. I can only hope that you will find time to enjoy some time together as a club on Dec 4th at our annual Christmas Party. Bring a dessert and ornament and enjoy a good buffet, a good ornament exchange, short club meeting and awards presentation.

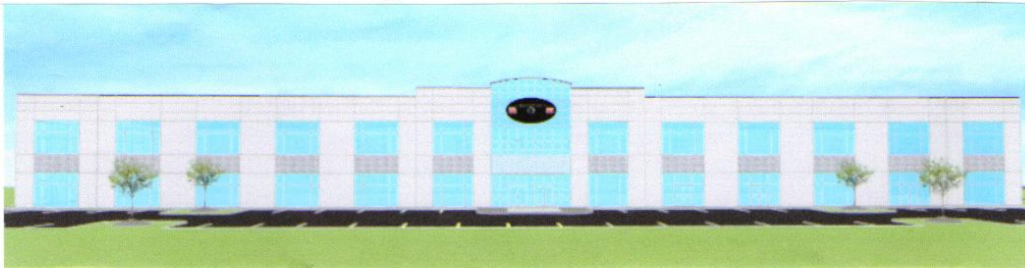

Happy Holidays to All-----Steve
