Note from the President

40 Days and 40 Nights

No, I'm not talking about the rainy weather we've had this last month, but for any of you who have faced or will be facing the possibility of flooding, my heart and prayers go out to you. But as a note, in working for the Illinois Dept of Corrections, inmates at my facility have volunteered and filled over 130,000 sandbags in the last bout of flooding and this current one here at the end of May, first part of June, and are continuously to do so around the clock. Lets pray that their efforts and all the efforts of others working to prevent flooding are answered and we soon return to sunny skies for awhile.

By the time our next meeting rolls around on the 11th, we'll be 40 days and 40 nights away from our annual Mustang & All Ford Roundup. Things are coming together but as with every year there is still much to do. The June meeting will be the last meeting before the show to turn in Sponsorship Forms so the Sponsors name can appear on the trophy class. We have only received eight up to this point. Last year at this time we had over twenty, so please if you have a Sponsorship, bring it to the next meeting. We are also still needing attendance prizes, so count how many you have to bring and let Carol know so we can get an idea before set-up night what we will have.

Jerry Bates (1995 GT Convertible) and Dan Mueller (1965 2+2 Fastback) will be our Roberts Motors sales room show cars this year.

Mustang II Reunion IV preregistration ended on June 1st with over 20 cars registered and others flying in from across the country to attend, along with other local Mustang II owners who have committed to registering on the day of the show, so it looks like we should have a good turnout for that part of the show. Our Best-of-Show Awards were ordered and received and plans are to mount them on wood and should be ready by July's monthly meeting. I have received one request for our clubs scholastic Scholarship as of June 1st. Bill and Jerry Bates have made the provisions for our ice cream on Friday's evening show setup, so no waiting for ice cream this year!

For those of you who showed up for last month's monthly meeting at the Eagle's Nest and found it closed, I'm very sorry. Theresa sent out an e-mail blast to all club members 10 days prior that the meeting place was changed due to Eagle's Nest changing their hours. It was again put in bold type in the newsletter and also in my note in that newsletter. Again, this month we are meeting at Mama Mia's at 48 W Edwardsville Road, in Wood River. Bill has information on the Sport's Tap for a meeting site in the future and we will be voting on where to meet at the June meeting.

On May 18th, Ron, Fred, Larry, Paul, Dennis, myself and three invited friends traveled to Indy for the Mecum Auction. Using our MCA memberships, everyone got in free and allowed to sit up close to the action in the bidders section. With over 200 cars being auctioned off that day and hundreds more from the previous two days, there was plenty to see and drool over (yours truly, even got to sit in and start up his dream car-a Factory 5 Shelby Daytona Coupe--only \$50,000)! We left at 5:00 AM and didn't get back until 10:45 PM making it a long but very enjoyable day.

The annual Mustang's for Mustang's cruise-in to benefit Legendary Mustang Sanctuary was held on June 1st at the Bethalto Airport. We had a good turnout of club cars and other Mustang's/Cobra Kit cars parked on the grass adjacent the horse corral. We had two new memberships and saw some members who are unable to attend meetings due to their work schedules. Overall it was a great day, not only for Legendary but for our club as well.

Here's hoping to a stop to the rain for awhile and sunny days to cruise around in our favorite Mustang/Ford and hoping to see you all on the 11th at Mama Mia's...Steve
