## A Note from Larry

Bill Meyers' 56 T-bird has been moved to my house in Edwardsville to be worked on to tune it up and get ready to sell.

John Roberts has said if restrictions stay in place and it gets better with virus, we would be okay for show. *We will vote at our September meeting if we should go ahead with the show this year or cancel until 2021.*

Patti at Budget Signs called me asking about show. Told her too hard to call at this time. Jerry Varble had loaned a base from one of his trophies for Patti to match up for us. It's for the big gas pumps we have already purchased and will need anyway rather for this year or next

If another committee meeting is needed, we will decide that at next regular meeting on the 8th. *J.J. Thermos will have accommodations for our meeting this month on the patio due to the COVID-19 restrictions for Region 4.*
