Old Business – Steve ordered stickers for Mustang Day April 17. We also got decals.

New Business – Ron talked about a cruise in once a month, called caffeine and chrome. We ring our cars in to display at Gateway Classic cars in O’Fallon, IL. We will be doing this on June 24th from 9am to noon. We agreed to meet at Flying J’s at 111 & 270 by 8:00am and all come together. Steve brought up about our show in July the 15th. He passed around a sign-up sheet for the show committee. Steve explained you need to contact club insurance yourself if you have an accident during a cruise. Contact Randy for policy number. Larry discussed what the show committee does for new members who are not familiar with this. First meeting is Jan 17 at Larry Roseberry’s house. Steve asked about the charities, if we wanted to continue with them. Majority agreed to keep the same ones which are Salvation Army and The Legendary Mustang Sanctuary after Steve made a motion, and Larry seconded it. Approved.

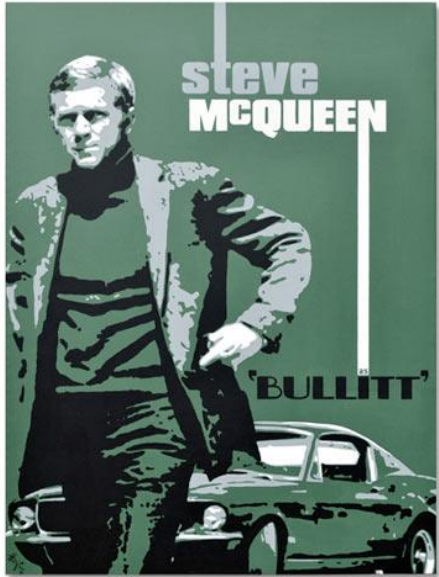

Heidi asked about if we have any interest on our account because she thought we could put some in a savings to gain interest. Larry said we could not, because we are a non-profit organization. Carol talked about not doing a silent auction but would sell raffle tickets instead for the items. Larry will look into getting name tags. Theresa asked about updating our publicity people. Steve volunteered for correspondence. Larry made a motion to adjourn, second by Ron, all approved. 50/50 won by Randy. Secretary, Dodie Brewer

A note from Randy

I thought it might be interesting to include a short note on how the car we drive acquired its name MUSTANG. I must say that I appreciated Steve's impassioned response as to why the Legendary Mustang Sanctuary is a recipient of our charitable endeavors. You may already know that the Legendary Mustang Sanctuary, working with the Bureau of Land Management, helps place wild mustangs and burros to preserve the legacy of these amazing animals and through healing and gentle treatment, restores their natural spirit. Just as the sanctuary fights for the survival of the wild mustang, attempts have been made throughout the years in various states to put gas guzzling Mustangs out to pasture via legislative bills addressing emission standards, etc. It is car clubs like ours that fight for these cars to survive.

Did you know that "In many ways, MUSTANG was a perfect name for the sporty new Ford, evoking romantic images of free-spirited cowboys astride powerful steeds. Just as important, it was easy to spell and easy to remember. As one Ford ad man said, 'MUSTANG had the excitement of the wide-open spaces, and it was American as all hell.'" (The Auto Editors of Consumer Guide. (2004). Ford Mustang Forty Years of Fun. Publications International, Ltd.)

It might be fun for the club to take a drive to Alhambra and visit the Legendary Mustang Sanctuary which is also a non-profit organization. We could always stop by Bunker Hill's Village Drive-In afterwards for a banana split.

Several of us enjoyed each other's company at Larry's house chatting about our upcoming car show. Among other things, we discussed the annual date of our show, classes of cars, trophies, and sponsorships. Please grab a sponsorship form at our next meeting and hit up a business to sponsor a class of trophies. It's important! Speaking of trophies, Glenn may be able to create some really nice plaques (trophies) for our show. I'll let him tell you all about it. Be on the lookout as well for door prizes and auction items for our show.

See ya soon,
Randy
