A note from Randy

Greetings fellow Mustang enthusiasts. As far as I am concerned, our car show was a huge success! I was a bit anxious about the weather as it was overcast and misty to start out. Personally, I felt the mistiness cooled things down a bit. Though waiting on the final numbers, I believe there were 114 or 115 cars registered. I didn't hear of any complaints, our club members were extremely cordial, the food was great (thanks to Theresa and company), everyone seemed to desire the wooden plaques constructed by Glenn, and the raffle and 50/50 helped in earning club proceeds to pass along to our designated charities.

Thanks to all those who secured sponsorships for our awards and/or obtained materials for the door prizes and raffle items, parked cars, displayed cars in the showroom, worked on registration and in the tally room. Thanks to those who worked on the show committee, and to those who assisted by providing much-needed equipment be it ice chests, ice (thanks Kay & Brian), swamp coolers (thanks Ron), or any of the other items needed to put this production together. I wish I could include everyone's name and how they contributed. We can without doubt be proud of the 45th annual show. Each one of you, is a true professional!

I feel remiss in not remembering to include our on-going scholarship award process during our club meetings. Please get the word out to solicit scholarship requests from family and friends to help in providing financial support to students for expenses incurred by attending college/trade school. Let's make this a priority as school is about to begin.

Please continue to show up to meetings, wear Mustang/Ford garb, drive your collectibles to our meetings, participate in club activities, etc. Participation will earn you points for our 289 club. Dorinda is procuring club patches for those fortunate enough to earn this prestigious recognition. Patches will be presented at our upcoming Christmas party.

A reminder to be thinking about what we can do for a club fall event. Also, please check with Jerry to see if he needs help with the Dynamic Duo event in August.

Congrats to Steve and Kim for obtaining a gold and silver award at the MCA National in Indianapolis!

Steve and I will be visiting with the Speed Demons Car Club in Bunker Hill to thank them for the excellent job they did in judging cars at our show. Cars displayed provided all an opportunity for viewing and exploring Ford powered vehicles at our host dealership, Roberts Motors.

Continue to pray for those in our club who are in need of a bit of holy intervention. God bless everyone, especially those who drive Mustangs!
