A note from Randy

Greetings Fellow Mustang Enthusiasts,

First, my apologies for my absence these past few months at the club meetings as my job has taken me out of town. I want to thank Vice President Dan Mueller (my brother) for stepping up to the plate to run the meetings and keeping me up to date. Unfortunately, I have one more month (March) when I will be out of town and will miss the meeting. I will, however, be at the April car club meeting as well as the NMRA / NMCA car show to help out.

As the warm weather approaches where our ponies come out of the corrals and the club becomes more active with monthly events and hosting the club car show, my thoughts turn to the overarching subject of membership participation. I wholeheartedly thank all those individuals who have stepped up to the plate and volunteered to work toward a healthy, successful, and growing club. This club can only survive if the membership as a whole is committed to its collective success. With several upcoming events, such as the April Mustang Drive, Raceway Car Show, and our own club's car show, it is imperative that all of us pitch in to make these events successful. Be on the lookout for new members and give them a flyer advertising our club. Also, be on the hunt for items we can give away at our 46th Mustang Round Up & All Ford Car Show.

It is also essential that everyone contribute ideas for monthly events. Although the next several months have an event planned (April – Mustang Car Drive; May – Raceway Car Show; June – Caffeine and Chrome; July – Club's Car Show), that doesn't mean there can't be other things planned as well if there is interest. A Sunday drive in a Mustang sounds like a perfect day to me. But even after the summer months have come and gone, the fall and winter don't need to be forgotten. We may not be able to drive our Mustangs necessarily if the weather prohibits, but I think of the club as a family and it's always nice when a family gets together.

Planning for events must start sooner than later if we want them to be successful. For those people interested in steering this club towards different events or activities, this is your chance to make a difference. I challenge you to step up and make your ideas a reality. Propose an event, plan that event, and then participate in that event.

Please consider joining the MCA if you are not now a member. As some of the club's previous MCA memberships were not renewed this past year, the club is dangerously close to dropping below our minimum number of required memberships to maintain our status. Our club was founded as a chartered regional group of the MCA on 4 January

1979. I don't want to be responsible for losing SIMA's charter. Why join you ask? I'll boil it down to dedication as we all have a collective interest in Mustangs. Please don't let down me and those who have come before us by losing our charter which we have held for 45 years. MCA events are fun. Dorinda and I and others in the club have attended many events over the years. My most memorable event was the 50th birthday celebration held in Las Vegas; it was a blast. I took time to participate in a 10k fun run which took place on the Las Vegas speedway track. Dorinda has fond memories of riding along with a professional driver in a souped-up Mustang. Of course, we both had to gamble incredibly large sums of cash in "Sin City."

Again, my apologies for my recent absences and thanks to Dan for filling in for me. Please do reach out to me if you have any questions or ideas or just to say hello. Let's not forget to pray for our dear brothers and sisters who are ill.

Looking forward to getting the Mustang out and about and enjoying the ride!

This is a picture of Randy and his 1966 Mustang at the Okawville Wheat Festival in 1979. This happens to be the same year SIMA was made a regional charter member in the MCA.

Thanks Randy, for sharing.
