A note from Randy

Greetings fellow Mustang enthusiasts,

Just a quick note to say thank you everyone for your support in yet another successful Mustang Round-Up and All Ford car show. I was certain it would rain but I never dreamt it would come down in buckets for extended periods of time. It was also surprising that most folks stayed and did not bolt by going home early. If there was a silver-lining in the weather, it's that the rain with all the clouds kept it somewhat cool.

We had a good turn-out and I look forward to hearing the stats from Larry and Steve to learn how many cars registered and how much money we raised. Again, the show would not have been successful without you.

While walking around, I noted the U.S. Military was a common theme this year. I must say I am proud of my family's service as well as other club members. This particular car grabbed my attention with its patriotic depictions.

I was touched when Ronnie's relative received a trophy as tears filled her eyes. I can only imagine how she felt knowing her husband would have been thrilled to receive such an honor. Yes, it is quite the car. Ronnie told me that car was riding on two wheels more than once.

During my most recent trip to Los Angeles, I came across this VW Bug which intimidated me. The owner of this car told me the frame is from a RAM pickup truck and that there are absolutely no Volkswagen parts in this car.

I'll be in California "serving time" when the next club meeting occurs. I wish everyone well. Remember to keep all of our club members in your prayers, especially those who are experiencing health issues.
